INDEPENDENT AUDITORS' REPORT

Board of Directors
Gadsden Cultural Arts Foundation, Inc.
Gadsden, Alabama

We have audited the accompanying financial statements of Gadsden Cultural Arts Foundation, Inc. (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets – modified cash basis as of December 31, 2016 and 2015, and the related statements of support, revenues, expenses, and changes in net assets – modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Gadsden Cultural Arts Foundation, Inc. as of December 31, 2016 and 2015 and its support, revenues, expenses, and changes in net assets for the years then ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

NOTES TO THE FINANCIAL STATEMENTS

GADSDEN CULTURAL ARTS FOUNDATION, INC.

DECEMBER 31, 2016 AND 2015

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ORGANIZATION

The Foundation promotes cultural, educational, and artistic activities in the Etowah County, Alabama area.

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. This basis of accounting differs from accounting principles generally accepted in the United States of America (U.S. GAAP) in that certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.

SUPPORT AND REVENUES

Contributions are recorded as income when received. Gifts of property and equipment are recorded at estimated fair market value. Contributions are considered available for unrestricted use unless specifically restricted by donors or the Board of Directors of the Foundation.

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost. Donated property and equipment are recorded at estimated fair market value at the date of the donation. Additions and improvements that extend the life of an asset are capitalized. Expenditures for repairs and maintenance are charged against income. Depreciation is computed by the straight-line method based on the estimated useful lives of the individual assets.

INCOME TAXES

There is no provision for income taxes for charitable purpose income since the Foundation is a not-for-profit institution exempt from both federal and state income taxes. The Foundation has received an exemption letter from the Internal Revenue Service granting it tax-exempt status under Internal Revenue Code Section 501(c)(3).

The Foundation's income tax filings are subject to audit by various taxing authorities. The Foundation's open audit periods are 2013 – 2015. In evaluating the Foundation's tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations and tax planning strategies are considered. The Foundation believes its estimates are appropriate based on current facts and circumstances.

ASC 740-10 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The standard also provides guidance on derecognition, classification, treatment of interest and penalties, and disclosure of such positions. Effective January 1, 2008, the Foundation adopted the provisions of ASC 740-10 "Accounting for Uncertainty in Income Taxes" as required. As a result of implementing ASC 740-10, there has been no adjustment to the Foundation's financial statements for the years ending December 31, 2016 and 2015.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

FINANCIAL STATEMENT PRESENTATION

The Foundation has adopted FASB ASC 958-205, "Financial Statements of Not-for-Profit Organizations." Under FASB ASC 958-205, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Foundation is required to present a statement of cash flows.

Unrestricted Net Assets - Unrestricted net assets are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - These are net assets subject to donor-imposed stipulations that may, or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of support, revenues and expenses - modified cash basis, as net assets released from donor restrictions. The Foundation had no temporarily restricted net assets as of December 31, 2016 and 2015.

Permanently Restricted Net Assets - These are net assets subject to donor-imposed stipulations that may be maintained permanently by the Foundation. Generally, donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes. The Foundation had no permanently restricted net assets as of December 31, 2016 and 2015.

DEPOSITS

The Foundation maintains its cash balances at several financial institutions located in Gadsden, Alabama. The balances are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). At December 31, 2016 and 2015, all of the Foundation's cash balances were insured.

RECLASSIFICATIONS

Certain reclassifications have been made to the 2015 Financial Statements to conform to the 2016 presentation.
